

2010 Traffic/Vehicle Policy

Due to the liability and local regulatory authorities, the following rules for traffic and vehicle use inside the festival grounds will be followed with no exceptions:

It is the policy of Amelia Island's Great Southern Tailgate Cook-off that only motor homes and tow vehicles will be allowed to remain at the cook site inside the competition area overnight. All other vehicles will be required to park in the team and judges parking lot.

(A PARKING PASS WILL BE REQUIRED TO ENTER THIS AREA.)

All vehicles used for unloading at the cook's site will be moved to the parking area by 12pm Friday, August 27. Vehicles will not be permitted in for tear down until 5:00 pm on Saturday, August 28.

No deliveries of any kind, requiring a vehicle access to the cook's site will be allowed 30 minutes prior to and during the hours that the Great Southern Tailgate Cook-off is open to the public. This includes teams that are vending. The Great Southern Tailgate Cook-off is open to the public on Friday, August 27 from 3pm – 10pm and Saturday, August 28 from 9:30am – 6pm.

Any questions about this policy should be directed to the Great Southern Tailgate Cook-off staff.
